

Scout Program WIC 2007

This year's events will be challenging but fun, geared for all ages from 1st to 3rd year Scouts.

This is an excellent camp for both new Leaders and Scouts as the events are fun, fun, fun and there are always experienced Leaders available to help when it is needed.

Hope to see you all at the WIC camp in September 2007.

Be sure to bring your Scouting spirit and have fun on the island.
